ANJANAPUR DIVISION.

Notification.

Sealed tenders for carting and unloading materials for 6 months or until further orders from the date of acceptance will be received in the Office of the Executive Engineer, Anjanapur Division, Anjanapur, till 12 noon on the 4th July 1938.

Tenders should be addressed to the Executive Engineer, Anjanapur Division, Anjanapur, and should be enclosed in sealed cover and superscribed "Tender for Carting Contract" to be opened on the 4th July 1938 at 2 P.M.

Each tender must be accompanied, under separate cover, either by Registered Post or Money Order, or personally, with a deposit of Rs. 25, as otherwise the tender will not be considered.

The successful tenderer will be required to sign the contract deed and deposit the required further deposit of Rs. 25 immediately after the acceptance of his tender is intimated to him.

The rates to be tendered shall be in the accompanying form and should be entered both in figures as well as in words. The rate quoted by the contractors should be for all kinds of materials including steel or cast iron pipes, cement bags. When once the tender is accepted, no special rate is allowed on any representation or any consideration.

Payment will be made on bills prepared by this office in the specified printed forms once in every month or if so desired by the contractor once in a fortnight or even earlier as may be decided by mutual agreement.

The loading and unloading of carts should be arranged for and done by the contractor himself. The decision of the Executive Engineer, Anjanapur Division, Anjanapur, for all cartings done will be final in all cases of doubt. If the materials are not promptly carted as required either from the Railway Station or from the Stores, or from other places, any demurrages or wharfages or haulage charges and other damages are liable to be debited to the account of the contractor at the discretion of the above officer. The carting contractor should make arrangements to be in touch with the Executive Engineer, Anjanapur Division, Anjanapur, or his representative and should supply carts whenever called upon to do so, at the shortest notice possible.

In the case of urgency or expediency, the Executive Engineer, Anjanapur Division, Anjanapur, will be at liberty to make his own arrangements wherever possible and the contractor will not have claim for compensation on such accounts.

If carts are not supplied as and when required, other carts will be engaged on the spot at the available rates and any extra cost incurred thereby will be debited to the account of the contractor and the contractor will have no voice in the matter.

The Executive Engineer, Anjanapur Division, Anjanapur, will not bind himself to accept the lowest and is also at liberty to accept or reject any or all the tenders without assigning any reason therefor. He may also accept more than one tender if he thinks that there will be full work for more than one contractor.

The tender is for carting materials and will be from and to Shimoga or any other places as per orders of the Executive Engineer, Anjanapur Division, Anjanapur.
